## About Hockey Camp

Hockey Camp is a Camp Hiawatha tradition. For 40 years, players and coaches have been gathering to combine their love of hockey with the faith foundation that makes them good team players both on and off the ice. While we take our hockey seriously, we also take learning and growing as a community seriously. Along with daily ice time, campers will enjoy swimming, games, worship, study, and time with friends. It is a program that provides the balance that every athlete needs.
